## SUGGESTED SPREADER SETTINGS

| Spreader               | 0.9# N /1,000 sq. ft. | 0.5# N /1,000 sq. ft. |
|------------------------|-----------------------|-----------------------|
| Lebanon Turf           | 4½                    | 4                     |
| Andersons AccuPro      | M                     | H                     |
| Earthway Rotary        | 16                    | 14                    |
| Gandy                  | 28                    | 24                    |
| Lely                   | 6 II                  | 4 II                  |
| Lesco (letter/numeric) | J/21                  | G/15                  |
| PennMulch HVO          | M                     | I                     |
| ProScape SS            | M                     | I                     |
| Spyker                 | 4½                    | 4                     |
| Vicon                  | 26                    | 22                    |

These settings were calibrated and field tested. However, age and condition of spreader, speed of operation and evenness of terrain may require slightly different settings for desired coverage.

## WARNING

### Hazard Statements:

May cause skin and eye irritation.  
May be harmful if inhaled.

### Precautionary Statements for handling:

Wash hands and exposed skin thoroughly after handling.  
Wear protective gloves and protective clothing.  
If eye or skin exposure occurs, rinse with water. Seek medical attention if irritation persists.  
Take off contaminated clothing and wash before reuse.  
Dispose of in accordance with all federal, state and local regulations.

Use in accordance with recommendations of a qualified individual or institution such as, but not limited to a certified crop advisor, agronomist, university crop extension publication.

**DO NOT** apply near water, storm drains or drainage ditches.

**DO NOT** apply if heavy rain is expected.

**DO NOT** apply to frozen ground.

Apply this product only to your lawn and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn.

Apply only to actively growing turf. Do not exceed 3.2 lbs. of total nitrogen per 1,000 sq. ft. annually.

**In Pennsylvania, New Hampshire and Maryland:** Do not exceed 0.9 lbs of total nitrogen per 1,000 sq. ft. per application.
