PHC® Palm Saver

6-3-6

Fertilizer for Palms and Tropical Plants

ROOTS® PHC® Palm Saver 6-3-6 is used in growing, planting and maintaining palms and other tropical plant species. It contains a blend of endomycorrhizal fungi, beneficial bacteria, micronutrients, humic acids and organic material to enrich the soil and promote mycorrhizal development on newly planted or declining palms and other tropical plants. Also included is Myconate® (formononetin), a patented stimulant of VAM fungi. *Covered by US Patents 5,002,603; 5,085,682; 5,691,275; 5,981,775.

DIRECTIONS FOR USE:

New plantings: Mix Roots® PHC® Palm Saver in the backfill around the root ball in the upper 3 to 4 inches of soil. For each 1 foot of diameter of planting hole, use 12 ounces (4 scoops) of Roots® PHC® Palm Saver.

Vertimulching Existing Palms: Apply by standard vertical mulching technique. For an average size palm, drill 4 holes evenly spaced around the trunk, about halfway between the trunk and dripline. Remove mulch. Use a 2 to 3 inch wide auger to drill holes to a depth of 8 to 10 inches. Fill holes with soil evenly mixed with Roots® PHC® Palm Saver at a rate of 6 ounces per hole. Pack lightly. If using premixed soil as a fill, mix 10 pounds Roots® PHC® Palm Saver per cubic foot of fill. Replace mulch. Apply water to soil saturation. Reapply annually as needed.

HEALTH AND SAFETY: In case of skin allergic reaction(s), treat symptoms and contact physician. Avoid breathing dust or spray mist. Wash hands after handling. In case of ingestion, seek medical attention. Caution to individuals with nut allergies, this product contains peanut skins.

KEEP OUT OF REACH OF CHILDREN

STORAGE: Store in a dry location between 50° and 90°F.

WARRANTY

NOTE To the extent consistent with applicable law, buyer assumes all responsibility for safety and performance if this product is not used according to the directions.

Net Wt. 8-Lbs. (3.63 kg)

APPLICATION RATES

SIZE	Roots® PHC® PALM SAVER
1 gallon	3 ounces
3 gallon	6 ounces
5 gallon	12 ounces
10 gallon	18 ounces
15 gallon	24 ounces
2 foot diameter planting hole	24 ounces
3 foot diameter planting hole	36 ounces
5 foot diameter planting hole	72 ounces

Not labeled for use on food crop sites.
