

roots®

3-4-4 For Azaleas and Rhododendrons

ROOTS® 3-4-4 is specially formulated fertilizer for acid-loving plants like azaleas, rhododendrons, camellias, hydrangeas and evergreen trees. Use before or during The bloom period to encourage flowering, and again in the fall. Formulated with organic ingredients and elemental sulfur to help maintain soil acidity, Roots® 3-4-4 also contains beneficial rhizosphere bacteria to assist in mineral release and promote soil fertility.

DIRECTIONS FOR USE:

For New Planting: Mix product thoroughly into the backfill soil around the root ball when planting. Follow the rate chart below, based on plant size.

APPLICATION RATES		
1 Gallon plant	1 cup or 1/4 pound	100 plants per 25-Lb bag
5 gallon plant	2 cups or 1/2 pound	50 plants per 25-Lb bag
15 gallon plant	4 cups or 1 pound	25 plants per 25-Lb bag
24 inch root ball	6 cups or 1 1/2 pounds	16 plants per 25-Lb bag
36 inch root ball	10 cups or 2 1/2 pounds	10 plants per 25-Lb bag
42 inch root ball	12 cups or 3 pounds	8 plants per 25-Lb bag
54 inch root ball	16 cups or 4 pounds	6 plants per 25-Lb bag
72 inch root ball	20 cups or 5 pounds	5 plants per 25-Lb bag
Larger sizes	1/2 pound	per inch of trunk diameter

For Established Shrubs and Trees: Broadcast the product over the soil or surface mulch from the trunk to the drip line, at a rate of about 2-Lbs (8 cups) per 100 sq. ft. Apply before or during spring bloom, and again in the early fall. In cool fall weather, apply at half rate.

Gardens and Flower Bed Installation: Apply as a topdressing at a rate of 25 pounds per 1,000 sq. ft. Application may be repeated every 2 months during the growing seasons, or at least twice per year. Apply at half rate in cooler fall weather.

Bulbs or Sprigs: Add 1 rounded teaspoon per plant and mix with soil in planting hole.

Potted Plants: Use 1 cup per 1 gallon container and mix thoroughly with soil.

WARNING

Hazard Statements:

May be harmful if inhaled repeatedly over prolonged periods.
Suspected of causing cancer by prolonged/repeated inhalation.

Precautionary Statements:

Avoid breathing dust.
Use appropriate personal protective equipment as required to avoid breathing dust.
If exposed or concerned, seek medical advice.
Dispose in accordance with all federal, state and local regulations.

Keep out of reach of children.

Caution to individuals with nut allergies, this product contains peanut skins.

Not labeled for use on food crop sites.
