Apply only to actively growing turf. Do not exceed 3.2 lbs. of total nitrogen per 1,000 sq. ft. annually.

- In Maryland and Virginia: This fertilizer contains phosphorus and may not be used for lawn maintenance on turf in the states of Maryland or Virginia except when
- Providing nutrients to specific soils and target vegetation as determined to be necessary in accordance with a soil test that was conducted by a laboratory* performed no more than 3 years before the application;
- Establishing vegetation for the first time, such as after land disturbance, provided the application is conducted in accordance with the recommended application rates established by the State;
- or 3) Re-establishing or repairing a turf area.
- *In Maryland, the laboratory must be identified under Section 8-803.7 of the Agriculture Article, Annotated Code of Maryland.

In New Hampshire: This fertilizer contains phosphate. In New Hampshire, phosphate fertilizers may only be used for turf maintenance in golf courses, parks, athletic fields, and sod farms.

Not labeled for use on food crop sites.

CONCENTRATE

Promotes Root Density & Color

DIRECTIONS FOR USE: Apply only as directed.

ironROOTS® is non-phytotoxic and is formulated for soil or foliar application. It is designed to supplement all fertilizer programs, and can be applied through injection and drip irrigation, fertigation, or sprayer system. Minimum dilution is 1:30 in water; maximum dilution is not critical. Shake well or agitate before use.

Compatibility: ironROOTS® is tank mix compatible with soluble fertilizers, herbicides, pesticides, fungicides and absorbent gels. As with all chemicals, read all labels for compatibility verification and, if practical, test on small area prior to extensive use with other chemicals. If in doubt, call 800-233-1067 with questions. DO NOT APPLY WITH ALUMINUM BASED FUNGICIDES.

STORAGE

AVOID EXCESSIVE HEAT AND FREEZING; STORE & TRANSPORT BETWEEN 40°F AND 90°F (4°C AND 32°C).

Some settling of solids may occur; agitate or shake container to achieve complete solubility.

SAFETY

In case of contact flush with water.

KEEP OUT OF REACH OF CHILDREN

For Safety Data Sheets contact your local distributor or call us at 800-233-1067.

AGITATE BEFORE USE

Hazard Statements

Harmful if swallowed.

May cause an allergic skin reaction.

Suspected of causing genetic defects. May irritate the digestive tract.

WARNING

Precautionary Statements

Obtain special instructions before use.

Do not handle until all safety precautions have been read and understood.

Avoid breathing mist/vapors/spray.

Wash hands thoroughly after handling.

Do not eat, drink or smoke when using this product.

Use personal protective equipment as required.

IF SWALLOWED: Rinse mouth, and CALL a POISON CENTER or doctor/physician if you feel unwell. If exposed or concerned, seek medical advice/attention.

Wash skin with plenty of soap and water.

Store locked up.

Dispose in accordance with all federal, state and local regulations.
