

# Lake Relief™

## BIOLOGICAL CONCENTRATE

Lake Relief™ improves water clarity, reduces odors, and restores natural balance to the ecosystem. Each 1 lb Solu-Pak® (25 in this pail) contains a proprietary blend of Novozymes Bacteria (one trillion per pack). These natural strains quickly populate the target area to improve water quality. Lake Relief™ is biodegradable. When used in accordance with label directions and precautions, Lake Relief™ is not harmful to humans, fish, wildlife, or beneficial aquatic organisms.

### DIRECTIONS FOR USE:

For use in areas of contained water; lakes, ponds, water hazards and irrigation tanks. Not for use in potable water sources.

### TIMING:

Apply at any time of the day when warmer water temperatures and increasing light conditions stimulate aquatic growth. Product efficacy is maximized when water temperature exceeds 50°F. Recommended for use in broad water pH range between 5.5 and 8.5

### APPLICATION INSTRUCTIONS: APPLY ONLY AS DIRECTED

- Handle Solu-Pak with dry hands or gloves. Evenly distribute Solu-Paks into the water at specified rates. As the Solu-Paks dissolve the microbes are released and immediately begin to populate the area.

### APPLICATION RATE:

Application	Frequency	Rate per Surface Acre	Comments
Initial results	Every 30 days	25 LB	Continue applications until desired results are achieved.
Maintenance	Every 30-60 days	10-12 LB	Continue applications to maintain desired appearance of water system throughout the growing season.

### GENERAL DIRECTIONS:

- This product, when used in accordance with the label, is safe. It has no special handling requirements and does not require a licensed applicator.
- Store this product in a cool, dry place out of direct sunlight — Storage temperature 40-100° F. Avoid freezing.
  - For longest storage life, keep sealed tightly after opening.
- Please observe the following cautions:
  - *Please Keep Out of Reach of Children and Pets*
  - *May be Harmful if swallowed; DO NOT inhale or ingest*
  - *May cause irritation to eyes or sensitive skin*
- FIRST AID:
  - *eye or skin contact — flush with water*
  - *if swallowed — drink water and call a physician*
  - *if inhaled — move person to fresh air and seek medical attention*

### WARRANTY LIMITATIONS

The information contained on this label is believed to be accurate and reliable. There are no warranties that extend beyond the guaranteed analysis on the face hereof or beyond the expiration date. All claims against guarantee are limited to replacement of product or refund of purchase price, or by law. The buyer and user acknowledge and assume all liability resulting from the use of this material. Timing, method of application, weather, crop conditions, and other factors are beyond the control of the seller.
