NOTE

This product contains the micronutrient iron. Iron may stain concrete and should be removed from these areas promptly by sweeping.

WARNING

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands on the driveway, sidewalk, or street back on to your lawn.

Fertilizer may cause irritation of eyes, nose, throat, and skin. In case of contact with skin or eyes, flush with plenty of water; for eyes get medical attention.

Do not handle until all safety precautions have been read and understood.

Precautionary Statements for disposal:
Dispose in accordance with all federal, state and local regulations.
Keep out of reach of children.
If exposed or concerned, seek medical advice.
Dispose of contents/container properly as required by law for waste pesticides.
Store in a well-ventilated place.
Store locked up.

IF INHALED: Call » POISON CENTER or doctor/physician if you feel unwell.
IF ON SKIN: Wash with plenty of soap and water.
If in eyes, rinse with water and seek medical attention if symptoms persist.
Wear protective gloves/protective clothing/eye protection/face protection.
Avoid breathing dust/fume/gas/mist/vapours/spray.
Do not handle until all safety precautions have been read and understood.
This product contains the micronutrient iron. Iron may stain concrete and should be removed from these areas promptly by sweeping.

DIRECTIONS FOR USE

Apply by means of the usual lawn fertilizer equipment according to your instructions for use or to recommendations of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

Keep container tightly closed.

Keep out of reach of children.

If exposed or concerned, seek medical advice.

Store in a well-ventilated place.

Store locked up.

If eye irritation persists: Get medical advice/attention.

If skin irritation occurs: Get medical advice/attention.

If inhaled: Call a POISON CENTER or doctor/physician if you feel unwell.

IF ON SKIN: Wash with plenty of soap and water.

Take off contaminated clothing and wash before reuse.

If in eyes, rinse with water and seek medical attention if symptoms persist.

Use personal protective equipment as required.

Wash hands and exposed skin thoroughly after handling.

Avoid breathing dust/fume/gas/mist/vapours/spray.

Do not handle until all safety precautions have been read and understood.

WARNING

Read and follow all safety precautions before use or application.

The secret of even distribution and quality turf growth is feeding from every granule for optimum growth and color. Your plants receive a complete diet of all the nutrients (N, P, K, iron, in the proper proportions). Your lawn is lush and healthy.

Apply any time during the turf growing season. For best results, do not apply in excessive heat.

Applying at the recommended rate, this product contains 20.0% N (with 1.0% water soluble iron and other water soluble nutrients to aid the iron in getting into the grass roots) and 0.1% water soluble iron. This product contains 15.0% available P, 7.0% available K, 4.0% available Mg and 0.5% available S.

HOMOGENEOUS GRANULES

Do not handle until all safety precautions have been read and understood. Non-Print

Precautionary Statements for disposal:
Disposal in accordance with federal, state and local regulations.
Non-Print
This product contains the micronutrient iron. Iron (Fe) is present in the formula at a concentration of 1.0% by weight.

The product's analysis is as follows:
- Ferrous Sulfate: 1.0% of the total weight.
- Combined Sulfur (S): 9.0% of the total weight.
- Soluble Potash (K2O): 8.0% of the total weight.
- Other Water Soluble Nitrogen*: 4.6% of the total weight, with a specific amount of Urea Nitrogen (1.2%) and Water Insoluble Nitrogen* (6.0%).
- Ammoniacal Nitrogen: 8.2% of the total weight.

The total nitrogen (N) content of the product is 20.0%.

**Directions for Use**
- Apply any time during the turf growing season. For best results, do not apply in excessive heat.
- Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands on the driveway, sidewalk, or street back on to your lawn.
- Do not apply if the spreader is not calibrated.

**Hazard Statements**
- Contains ingredients that may be harmful if inhaled.
- Contains ingredients that may cause irritation of eyes, nose, throat, and skin.
- Contains ingredients that may be harmful if ingested.

**Precautionary Statements**
- Keep out of reach of children.
- Keep container tightly closed.
- Store in a well-ventilated place.
- Store locked up.
- If eye irritation persists: Get medical advice/attention.
- If skin irritation occurs: Get medical advice/attention.
- IF INHALED: Call POISON CENTER or doctor/physician if you feel unwell.
- Take off contaminated clothing and wash before reuse.
- If in eyes, rinse with water and seek medical attention if symptoms persist.

**Note on Handling**
- Use personal protective equipment as required.
- Wash hands and exposed skin thoroughly after handling.
- Avoid breathing dust/fume/gas/mist/vapours/spray.

**Warranty**
- Manufacturer's warranty is limited to a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

**Label Information**
- The label information is provided in accordance with all federal, state and local regulations.
- The label includes instructions for proper use, handling, and disposal.

**Manufacturer**
- Lebanon Seaboard Corporation
