

# roots® Turf Saver®

**ROOTS® Turf Saver®** is a mycorrhizal fungal inoculant formulated for turf installations and maintenance. It contains a blend of VA mycorrhizal (VAM) fungi and rhizosphere bacteria selected for their beneficial activities in the rhizosphere of plants. Roots® Turf Saver® contains Myconate® (formononetin), a patented stimulant of VAM fungi to increase colonization rates of the grass roots. \*Covered by US Patents 5,002,603; 5,085,682; 5,691,275; 5,981,775.

### DIRECTIONS FOR USE:

**Directions for Turf or Sod installation:** Prior to seeding or sodding, spread Roots® Turf Saver® over the planting area at a rate of 22 pounds per 1,000 sq. ft. If sodding, lay sod directly over product. If seeding, rake or rototill product into the top 2 inches of soil. At this rate, the product delivers about 70 spores per sq. ft. combined with Myconate®, a stimulant of VAM fungi colonization.

**Directions for Turf Maintenance:** Application to existing greens must be preceded by aeration or verticutting to facilitate movement of product into vicinity of turgrass roots. Remove loose debris and apply product by drop spreader at a rate of 6 pounds per 1,000 sq. ft. Mat or brush Roots® Turf Saver® into aeration holes or vertical cuts. Repeat with each aeration or verticutting treatment, particularly during growth periods, and prior to or following stress periods. Apply at least 2 times per year. See inside box for detailed application instructions.

### Hazard Statements:

Causes mild skin irritation.  
Causes eye irritation on contact.  
May be harmful if inhaled repeatedly over prolonged periods.  
Suspected of causing cancer by prolonged/repeated inhalation.

### Precautionary Statements:

If skin irritation occurs, wash with plenty of soap and water.  
Avoid breathing dust.  
Wash hands thoroughly after handling.  
Do not eat, drink or smoke when using this product.  
Use appropriate personal protective equipment as required to avoid breathing dust.  
In case of eye contact, rinse cautiously with water for several minutes.  
If irritation persists: seek medical attention.  
Persons with severely suppressed immune systems should contact their physician before handling ordinary microbial products.  
Keep out of reach of children  
Dispose in accordance with all federal, state and local regulations.

**CAUTION to individuals with nut allergies, this product contains peanut skins.**

**STORAGE:** Store in a dry location away from direct sunlight, between 50° to 90° F.

### WARNING

### WARRANTY

**NOTE** To the extent consistent with applicable law, Buyer assumes all responsibility for safety and performance if this product is not used according to the directions.

Not labeled for use on food crop sites.
